

Innovate To Make Things Easy

3Z Telecom offers a **Damage Protection Plan** for the 3Z RF Vision Tool which can be purchased at an additional cost for a term period of 2 years from the date of original purchase. The **Damage Protection Plan** is an addition to the standard (12 months) manufacturer's warranty.

Damage Protection Plan Inclusions – What is covered under the *Damage Protection Plan*

- Bi-annual premium calibration for the term life of the plan (\$895.00 value per 2 years)
- Bi-Annual battery replacement included for the term life of the plan during bi-annual calibration (\$595.00 value per 2 years)
- The manufacturer's warranty is extended during the **Damage Protection Plan** period.
- Bi-annual cleaning, and/or tune-ups during included recalibrations.
- Damage caused by accidental physical damage including unit dropped from buildings and towers.
- Damage cause by spilled liquids or accidental rain.
- Cosmetic defects or damage (such as cracked outer cases, cracked LCD screens) or defects that inhibit the proper operation and performance of the covered items.
- Electrical damage caused by improper or over-charging of battery or using incorrect voltage outlets or incorrect recharging adapters.
- Damage due to dust, animal or insect infestation.
- Repair or replacement due to vandalism, riot, or general environmental conditions, including but not limited to rust, corrosion or mold.

Damage Protection Plan Pricing

Plan ID	Damage Protection Plan Description	Year(s)	Price
3Z-RFV-DPP2	2 Year Damage Protection Plan	2	\$1790.00

This **Damage Protection Plan** can be renewed in a continuous period and at the termination date of the previous acquired plan.

Under the **Damage Protection Plan** and for each time a 3Z RF Vision is sent to repair, 3Z Telecom will charge an Evaluation Fee of 99.95 USD, to evaluate the condition and repair plan required for the equipment.

The **Damage Protection Plan** is subject to a \$2000.00 per event deductible should a full replacement of the product be required.

The **Damage Protection Plan** is per RF Vision and is not transferable to any another antenna alignment tool and all shipping and associated costs are not included on the plan.
